SEQUENCE LISTING STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned verifies that, to the best of her knowledge, after making a comparison, the content of the written Sequence Listing contained in the application and the sequence listing information recorded in computer readable form (CRF) are the same, and further that the sequence provided in the written Sequence Listing is identical to that provided in Fig. 2 of the application as originally filed. Entry of the Sequence Listing is respectfully requested.

Respectfully submitted,

Janet Sleath
